

Making Waves

Inverclyde Libraries are conducting research on developing libraries as Cultural Hubs - offering free creative activities and opening up conversations about culture and creativity in Inverclyde. We'd love to hear from you about what type of cultural/creative activity you engage with currently in Inverclyde and what activities you would like delivered in your local library. This will help us make improvements to our existing offer and prioritise new services. The survey should only take 5 minutes, and your responses are completely anonymous.

You can only take the survey once, but you can edit your responses until the survey is closed on 31st October 2019

If you have any questions about the survey, please email us at library.central@inverclyde.gov.uk

We really appreciate your input!
